Project Identification Process & Public Input

Identifying Link21 Concepts

Concepts are built from **four key building blocks** to best serve riders

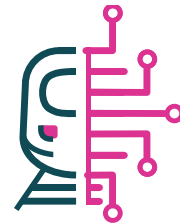

MARKETS

People, travel patterns, and their preferences

SERVICE

Schedule, travel time, and frequency

TECHNOLOGY

Types of trains

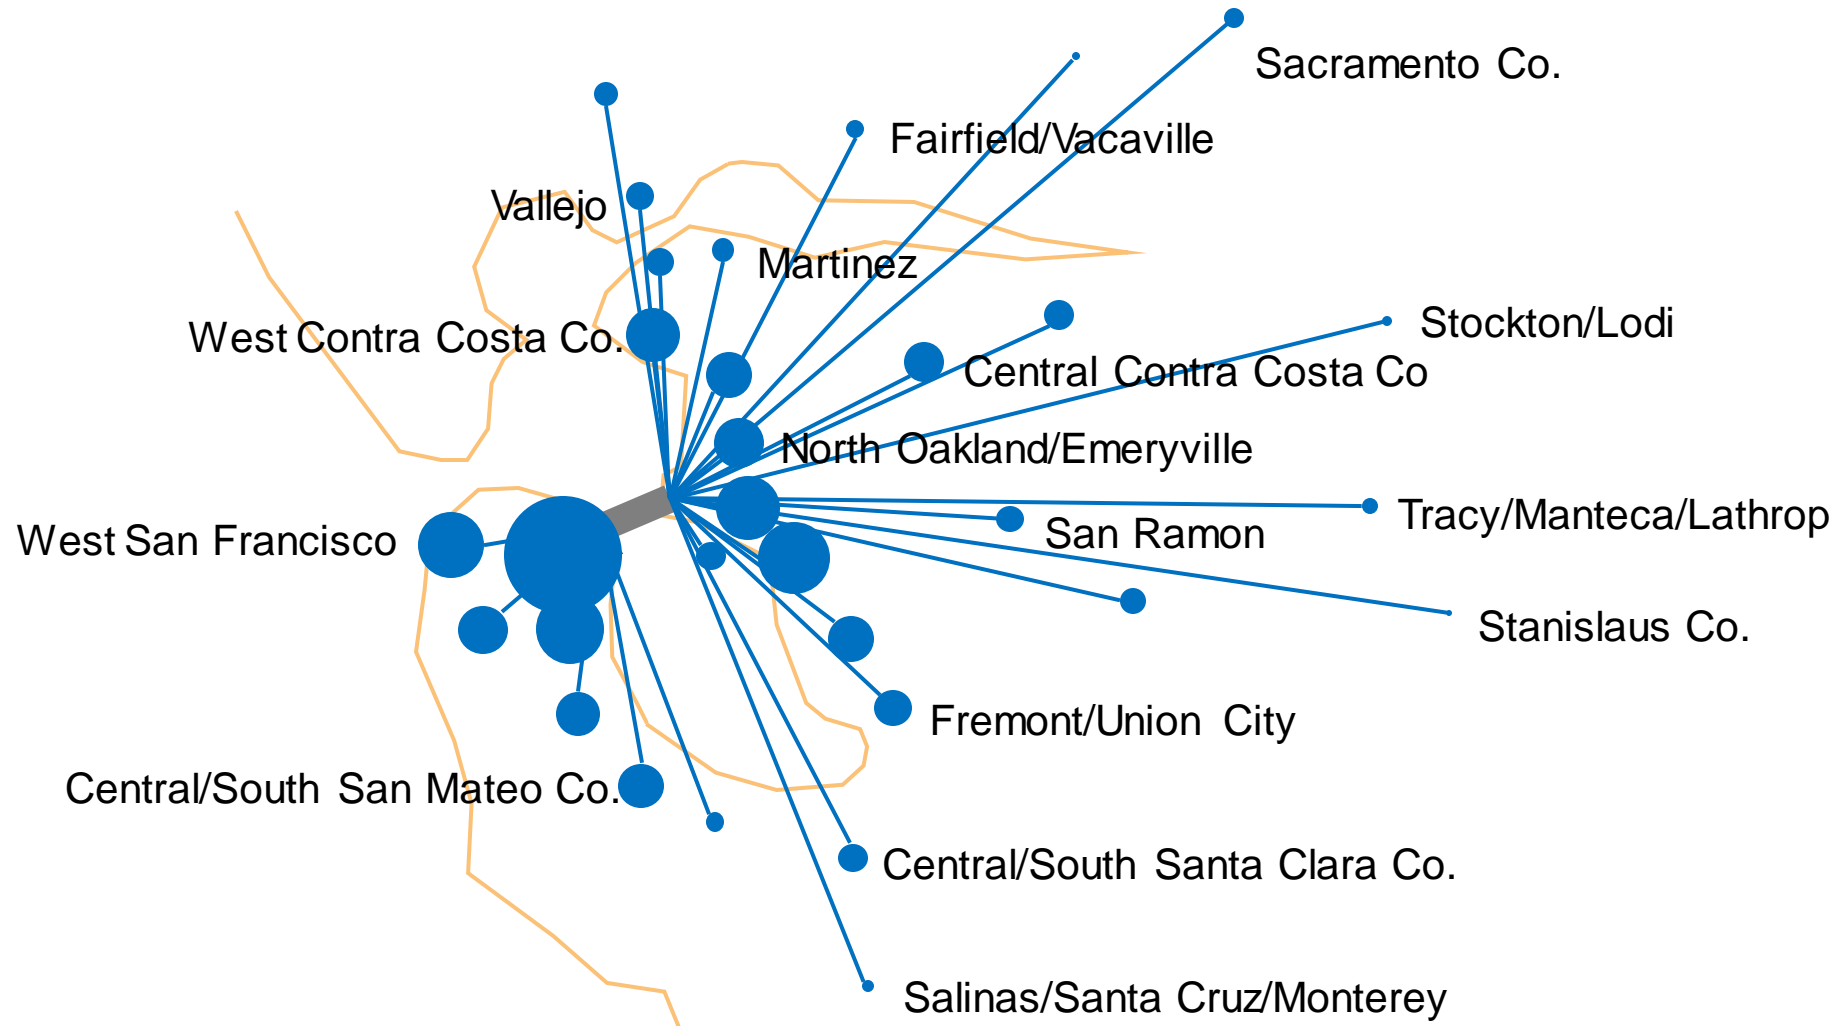

INFRASTRUCTURE

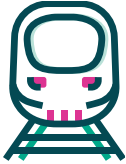

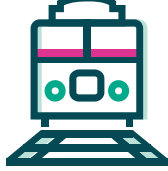

Physical improvements to train network

Transbay Rail Potential (Equity Weighted)

Link21: New Trains and Service

	BART	MODERN REGIONAL RAIL URBAN METRO SERVICE	MODERN REGIONAL RAIL LONG DISTANCE SERVICE
			
FREQUENCY	More frequent trains Every 2-30 minutes (varies by route/time of day)	Similar to BART	Less frequent trains Every 30 minutes (varies by route/time of day)
STOPS	1-5 miles apart	Similar to BART	5+ miles apart (express service)
TRACK	Designated BART only	Shared with national network	Shared with national network
SERVICE AREA	Urban/Suburban Areas Within 5-County BART District	Urban/Metro areas	Urban/Suburban Centers Across 21-County Megaregion

NEW TRAIN TECHNOLOGY that is greener, lighter, and faster

Example Concepts: Regional Rail & BART in Crossing

ONE ALIGNMENT - TWO STRUCTURES

- 2 Regional Rail Concept
- 2 Regional Rail Concept (Tracks Underground)
- 2 Regional Rail Concept (Possible Improvements)

Stations

- 1 BART
- 2 Regional Rail
- Transfer

TWO ALIGNMENTS - TWO STRUCTURES

- 1 BART Concept
- 1 BART Rail Concept (Tracks Underground)
- 1 BART Rail Concept (Possible Extension)

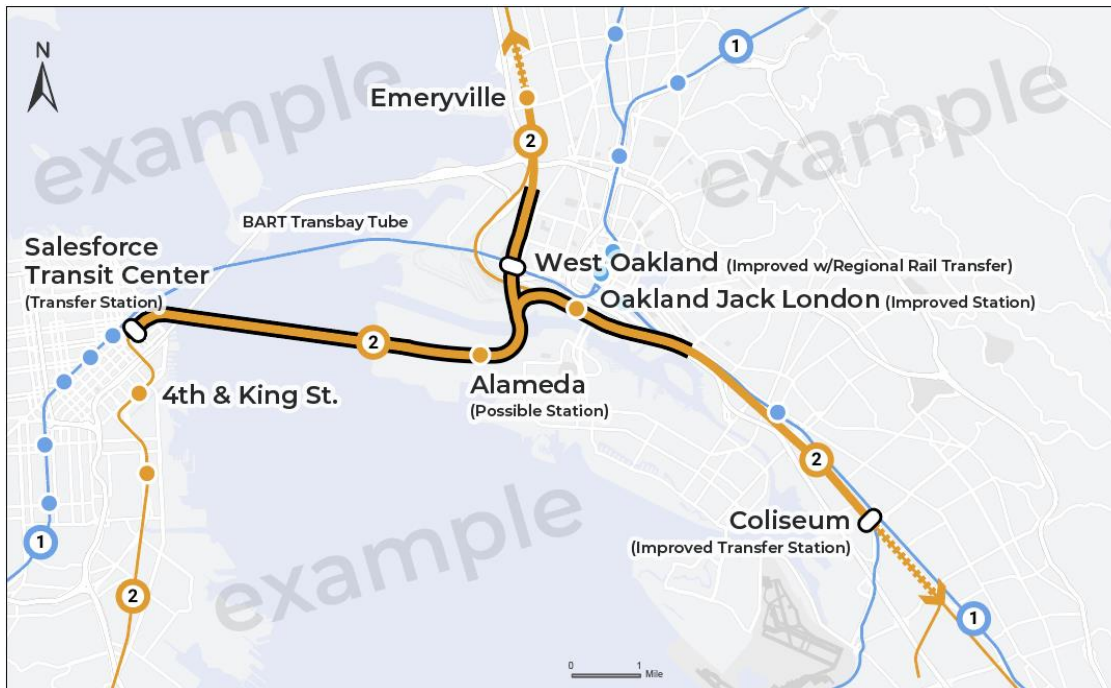

Existing and Planned

- 1 BART
- 2 Regional Rail

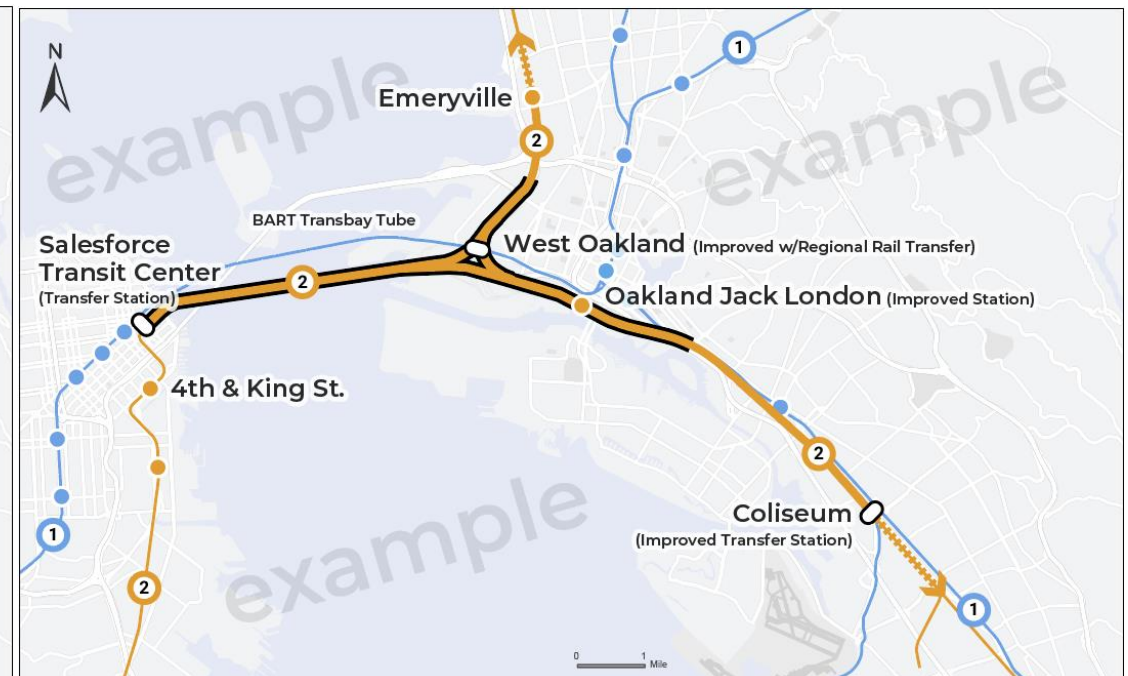

Example Concepts: Regional Rail in Crossing

ALAMEDA TO SALESFORCE TRANSIT CENTER

- Regional Rail Concept
- Regional Rail Concept (Tracks Underground)
- Regional Rail Concept (Possible Improvements)

EMERYVILLE TO SALESFORCE TRANSIT CENTER

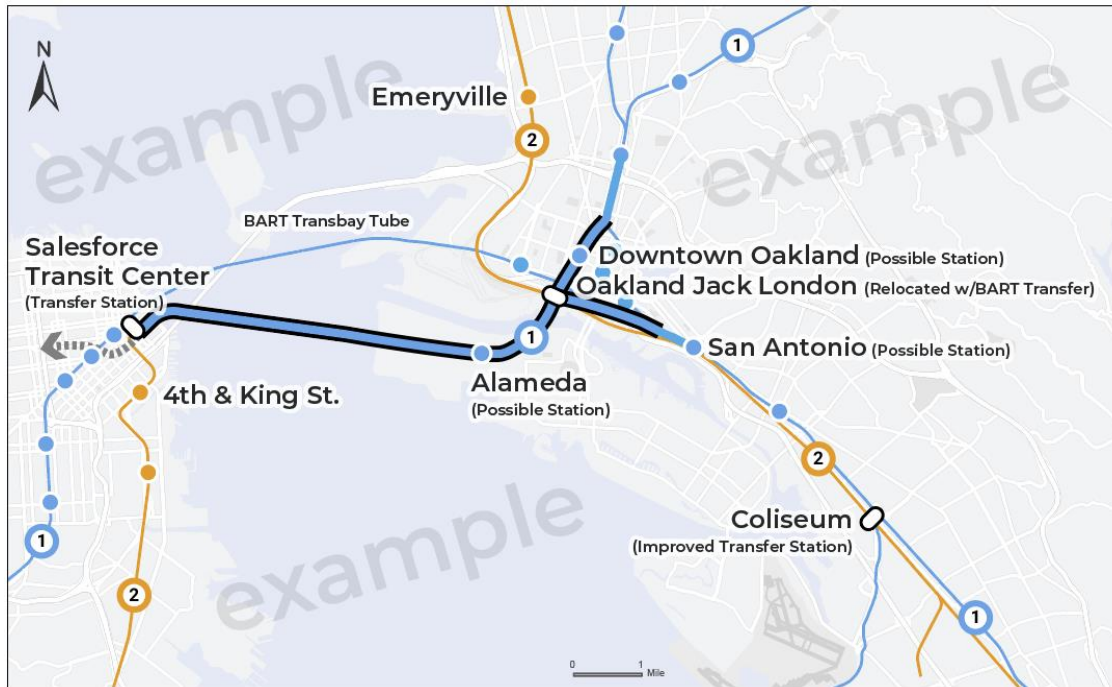

- Stations**
 - BART
 - Regional Rail
 - Transfer
- Existing and Planned**
 - BART
 - Regional Rail

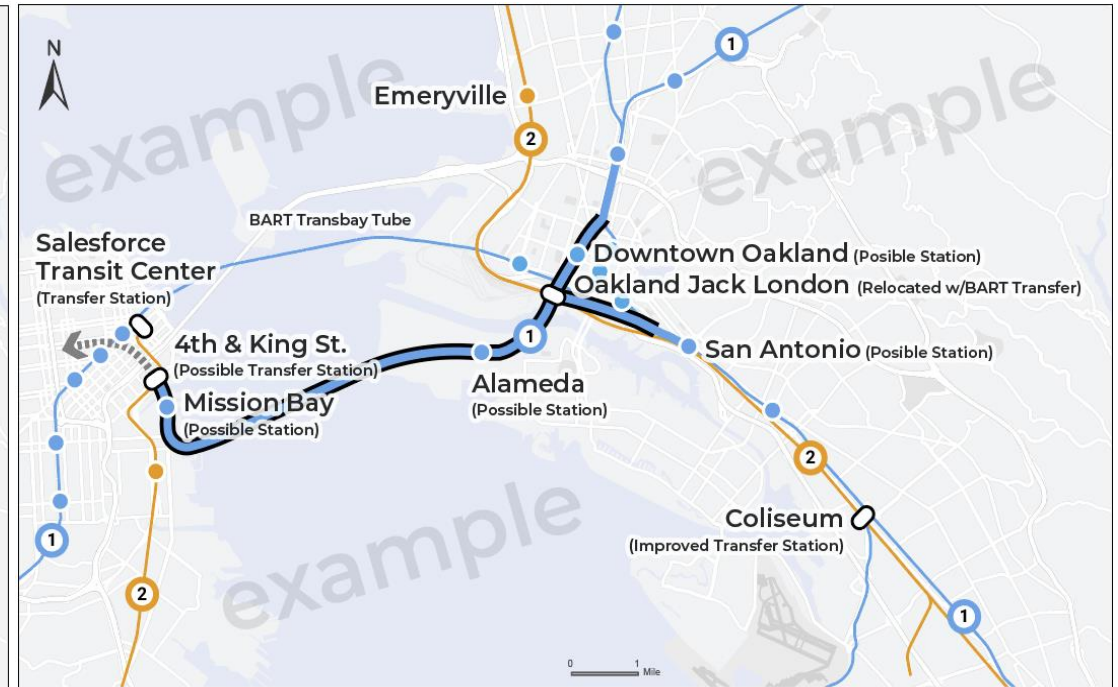

Example Concepts: BART in Crossing

MACARTHUR TO MISSION

- 1 BART Concept
- 1 BART Rail Concept (Tracks Underground)
- 1 BART Rail Concept (Possible Extension)

MACARTHUR TO MISSION BAY

- | Stations | | Existing and Planned | |
|---|---------------|---------------------------------------|---------------|
| ● | BART | 1 | BART |
| ● | Regional Rail | 2 | Regional Rail |
| | Transfer | | |
