DRAFT - DELIBERATIVE

1. PURPOSE OF THE BYLAWS

The purpose of these bylaws is to address the general function and administration of the Equity Advisory Council (EAC) for the Link21 Program. It also outlines the roles and responsibilities of EAC members.

1.1. Purpose and Mission of the EAC

The EAC serves as an advisory body to the Link21 Program, providing input and guidance on key milestones. The EAC will provide a space for meaningful community collaboration to help advance equity throughout the development and implementation of the Link21 Program.

The EAC aims to do the following:

- Integrate lived experts (those who have lived experience in inequitable transportation and infrastructure) into Link21-especially for interim non-Board decisions.
- Supplement other co-creation activities, such as co-creation workshops, to increase opportunities for community partnership and influence at key points in the program development
- Introduce a community-driven body which has the benefit of long-term engagement with the program, which will allow for deeper discussions and stronger community alignment with how Link21 progresses.

The EAC will be made up of individuals representing the varying interests of communities that have been marginalized including priority populations and others potentially adversely impacted by Link21. The EAC will be one mechanism for bringing diverse community voices into program development and conveying information on key decisions to community members. The EAC Charter¹ lays out the guiding vision for the Council as one mechanism for ensuring equity is embedded into the work of Link21.

2. DEFINITION OF EAC MEMBERSHIP AND GENERAL MEMBERSHIP EXPECTATIONS

The EAC membership will reflect the diversity of the Megaregion, including low-income communities and communities of color that have been most impacted by transportation inequities, youth, and other communities that have historically been underserved.

2.1. EAC Membership Roles and Responsibilities

2.1.1. EAC Membership and Terms of Service

The EAC will consist of up to 20 members representing diverse geographies and demographics. Members are appointed to a two-year term. Members may be appointed for up to two consecutive terms. Members are defined as individuals who have a seat on the Council and may include unaffiliated community members and/or representatives of a community-based organization (CBO). Although some EAC members may be affiliated with and/or representing a CBO, this does not imply or mean that seats are designated for specific CBOs.

Before the expiration of the inaugural EAC term, the Program Sponsor reserves the right to introduce a one-time amendment to term lengths to stagger the rotation of EAC members. If used, this amendment will be intended to provide the EAC with continuity for effective knowledge transition as the original members begin to term out.

2.1.2. Meeting and Participation and Expectations

Meetings will be held virtually via videoconferencing every other month for up to three-hours. Members may be called upon to work in subcommittees on an ad hoc basis to further review and analyze materials. If a member cannot attend a meeting, they are required to inform the EAC facilitation team before the meeting. For non-emergency absences, EAC members should inform the facilitation team two weeks in advance.

2.1.3. Meeting Materials and Related Documents

EAC members will be provided meeting agendas, supporting materials, and associated documents in advance of all meetings. Agenda's will be publicly posted at least five (5) days prior to the meeting. Additional supporting materials will be provided least three (3) days prior to each meeting. The Link21 team will provide support when applicable, including briefings on request.

It is expected that EAC members come to each meeting prepared and having fully reviewed the provided materials. Per the honorarium pilot for the EAC, members are expected to spend up to three hours outside of meetings on tasks like reviewing materials.

2.1.4. Member Removal

Consistent attendance and participation from EAC members can help strengthen effectiveness, however failure to regularly attend may result in removal. Flexibility can be allocated for extraordinary circumstances.

EAC membership may be revoked at any time for reasons including, but not limited to unexcused absences, disruptive behavior, or lack of active engagement. Membership revocation will be determined by the Link21 Program Sponsor in consultation with the Facilitation team. This provision and authority will be exercised solely to ensure an engaged and productive EAC and is not meant to, and will not be employed to, silence diverse opinions and perspectives shared as part of the ongoing EAC engagement process.

2.1.5. Filling a Vacancy

If a member of the EAC resigns or is removed from the Council, that vacancy may be temporarily or permanently filled with an individual appointed by the Link21 Program Sponsor. Any appointments will be made in accordance with selection criteria. The vacancy may also be left unfilled until the next application period.

2.1.6. Conflict of Interest Acknowledgement

All EAC members, as part of their application and in alignment with conflict-of-interest rules, must self-assess and report potential or actual emergent conflicts of interest. While apparent or potential conflicts of interest may not automatically exclude a member, it will be the sole discretion of the Link21 Program Sponsor to determine the impact the conflict may present. Members may contact the Facilitation Team with questions or concerns.

The conflict-of-interest declaration will be updated annually.

2.1.7. Staff Support

BART's Equity Programs Administrator or assigned staff, shall be assigned to work with the EAC as staff liaison. The staff liaison will collaborate with the Link21 Program Sponsor and the Link21 team to prepare, compile, and distribute agendas and related materials for EAC meetings. The staff liaison shall be responsible for coordinating posting materials on the BART and Link21 website.

3. COUNCIL OPERATIONS

3.1. Transparency Guidelines and Compliance

Similar to other BART advisory committees, the EAC meetings shall be conducted in accordance with BART District's Transparency Guidelines. The District's Public Participation Meeting Rules can be found at

http://www.bart.gov/sites/default/files/docs/Board_Meeting_Rules_Notice_57.pdf

These duties and practices shall all be undertaken pursuant to the District's Transparency Rules for non-Brown Act bodies and the Standard Code of Parliamentary Procedure (4th Edition) by Alice Sturgis.

3.2. Meeting Agendas

Meeting agenda's will be posted at least five (5) days prior to an EAC meeting. The agenda will be posted on the Link21 website and the BART District's website via Legistar, consistent with the posting for other BART advisory committees.

Related materials, such as staff reports and other items, shall be emailed to the EAC members at least three (3) days prior to each meeting. They will also be posted to the Link21 website and the BART District's website.

EAC members wishing to request agenda items should communicate the request to the Facilitation Team at least three weeks prior to a meeting. The Program Sponsor will approve the final agenda topics and consider requests from EAC members, in accordance with Link21 Program needs and timelines and the availability of time to appropriately conduct EAC business.

Only items on the posted agenda, and items discussed during public comment, shall be discussed, or acted upon at EAC meetings by EAC Members.

3.3. Meeting Recording and Minutes

Meeting minutes will be developed and presented to the EAC membership for approval at the following month's meeting. Meeting minutes will include details such as membership participation, topics discussed, and decisions made. Meeting minutes shall be posted on the BART and Link21 website within one (1) week following approval by the EAC.

3.4. Defining an Equity Flag

At any time, any individual EAC member may flag a "Serious Concern" as a formal way to request that the Link21 Team re-examine a specific proposal, deliverable, or process due to a serious concern they believe could lead to demonstrably significant harm to

communities that have been marginalized and priority populations or the Link21 Program.

3.5. Process for Raising the Equity Flag

The EAC member flagging the concern must do so in writing via the EAC email at EAC@Link21Program.org, fully articulating the concern and the rationale. After a thorough review, it is at the discretion of the Program Sponsor whether additional action or changes will be enacted in response to the Serious Concern. The Program Sponsor will respond to the Serious Concern in writing to the EAC within two weeks. If the additional review of the Serious Concern will take more than two weeks, the Link21 Team will update the EAC with a schedule on when a response will be issued.

3.6. Public Participation and Reasonable Accommodations

The public will be offered an opportunity to provide comments at EAC meetings on agenda related topics. Written public comments should be emailed to EAC@Link21Program.org using “public comment” in the subject line and will become a permanent part of the file. Public comments received in writing must be submitted within 72 hours of the meeting in order to be included in the record. Oral public comments will be limited to two minutes per person.

Link21 provides service/accommodations upon request to persons with disabilities and individuals who are limited English proficient who wish to address Council matters. A request must be made between one and five days in advance of the Council meeting, depending on the service requested.

3.7. Bylaws Amendment

These bylaws may be approved or amended at any properly noticed regular or special meetings of the EAC following a three-fourths (3/4) vote of all current EAC Members.

Written notice of the proposed bylaws’ approval or amendment shall be placed on the agenda and copies of the proposed bylaws or amendment shall be distributed at the meeting prior to the one at which action is to be taken. Comments on proposed changes from members for consideration must be received at least two weeks prior to the meeting when the vote for approval is scheduled.

The notice at both the prior meeting and the meeting at which the vote is scheduled shall include both the original text of the bylaws and the text of any proposed bylaw amendment(s).

Proposed EAC bylaws and amendments shall be subject to review by the Link21 Program Sponsor and the District’s Office of the General Counsel.

4. EAC HONORARIUM PILOT²

All individuals participating as a member of the EAC will receive an honorarium. Honorariums are distinct from compensation and are designed to mitigate barriers in lieu of payment or delivery of services and represent recognition Link21 has for the contribution of time, energy, and expertise.

The honorarium is offered through an agreement made directly with an individual. Members will receive \$2100 per year, based on participation in bi-monthly (six times/year) meetings and contribution on off months to additional work up to three hours per month.

In addition to the honorarium, serving as recognition and appreciation of time, energy, and expertise, Link21 also recognizes that for some community members, there may be additional barriers to full participation. Please refer to the [Honorarium Pilot](#) for additional details.
