FROM: Tim Lohrentz, Equity Programs Administrator, Link21
TO: Equity Advisory Council (EAC)
CC: Link21 EAC Team (Staff and Consultants)
DATE: 7/16/2024

SUBJECT: AGENDA ITEM B: FOLLOW-UP TO PREVIOUS EAC FEEDBACK

This is a standing agenda item and accompanying memo entitled “Follow-Up to Previous EAC Feedback.” This memo documents questions and input from EAC members and demonstrates how that input is being considered in Link21 work. The goals of this memo are to:

- Confirm that EAC questions are responded to.
- Show transparency and accountability for incorporating EAC feedback into Link21 work.
- Demonstrate the value that EAC contributions have on Link21 work.

This memo is not intended to be an exhaustive log of all feedback from and communications with EAC members. Rather, it focuses on input that is related to discussion prompts as well as select questions and input about Link21 or EAC logistics that were not previously or sufficiently responded to or were raised on multiple occasions.

Meeting Logistics

Feedback	Can we have updates to the public comments? It would be helpful for the EAC Program to address the public comments that are made.
Where Raised	Post May 2024 EAC Meeting Survey
Follow-up	The EAC meetings are primarily a way for EAC members to hear updates on the program as well as to provide input. Other public forums have been set up to gain the input of general members of the public. Therefore, Link21 Program staff will generally not respond to public comments. However, EAC members are able to bring up the same topics as those heard in the public comment.

General Program Feedback

Feedback	Can we have an update on Cal ITP (California Integrated Travel Project)? EAC members should have a way to get input and make suggestions.
Where Raised	Post May 2024 EAC Meeting Survey
Follow-up	We hope to have an update on the Cal ITP at a future meeting.
